*Medical insurance for
traveling executives*

The uncertainties of travel

As an executive who travels frequently throughout the year, you have plenty of responsibilities. You don't want to think about your medical coverage while you're abroad. But what would happen if you became ill or injured during your trip?

Most executives assume they will be covered by their standard medical plan. The truth is, while traditional plans offer adequate domestic coverage, they may not be designed for international travel.

International Medical Group® is here to help you plan today for tomorrow's uncertainties. We offer Patriot Executive®, a complete assistance package of international benefits and 24 hour availability. With Patriot Executive, you purchase coverage for a period of one year and are then covered during that year, in accordance with the terms of the plan, for each trip you take outside of your home country.
